

# WELCOME TO OUR COOPER COMMUNITY

## *Being a Part of the Cooper Community is a Key to Academic Success*

Students who strive to be involved in the Cooper Community do better in school and in their lives outside of our building. At Cooper, we emphasize student connectedness through a variety of efforts.

### **GET INVOLVED**

Cooper has many wonderful offerings during the school day, and after school in the fine arts, sports, student publications, cultural clubs, and so much more! Visit [chs.rdale.org](http://chs.rdale.org) for a complete list of activities available to students.

### **NOTIFICATIONS**

At Cooper and districtwide, we use many forms of communication to get important information about news and events to our families and subscribers in the community. The most efficient ways to get information is through Schoology and Messenger. Please see the inside section for more information on this. Additionally, you may visit our website at [chs.rdale.org](http://chs.rdale.org), or our Facebook page.

Emergency communications are delivered in a matter of minutes via our messaging system - which sends to personalized voicemail and email addresses simultaneously. Updates will also be posted on our website and Facebook page.

### **CONFERENCES**

Conferences are held quarterly throughout the year in an effort to keep families up to date on how their student(s) are doing. Conference dates/times will be posted on our website at [chs.rdale.org](http://chs.rdale.org), Facebook page and via Schoology. They are traditionally held from 3:00-8:00 p.m.
